Great tournament! What a performance by Robert Yates Jr. going 5 for 5 in all events entered. This is the first time in the history of Bonzini USA Foosball tour events this has ever happen Congratulations Robert!!. Want to give a shout out to the members of S.H.O.T.S., not only for their support with the extra food donations, but for their play as well. I want to thank Butch, Eric, and Lyn for making the long drive to join us for the weekend. It’s always a pleasure to have LHOF represented at our hosted events.

Eastern NC has a healthy representation also this past weekend. Winston-Salem area foosers had great finishes also at the Beach Tavern. 10 teams in Mixed Doubles and 5 Women's Doubles teams, nice support ladies. We're looking forward to returning next year as this event is becoming the best little beach tournament on the east coast. Time to focus on the South Carolina State Foosball Championships February 19th thru 21st. There will be a small warm-up event January 30th at Old Nick's Pub in Lewisville, NC. Hope to see you there.
